## VALVOLINE ALL FLEET PREMIUM

**Valvoline All Fleet Premium** engine oil is designed to provide advanced lubricant performance in modern, low emission diesel engines, including those with EGR, operating under a wide variety of service conditions. The advanced product technology offers a long life and extended drain capability. The balanced formulation helps to maximize the engine durability.

**Valvoline All Fleet Premium** is recommended for use in various models of HCVs, MUVs and LCVs running on diesel engines.

### THE ALL FLEET PREMIUM ADVANTAGES

- Unique dispersive polymer technology (DPT) with premium Group II base oils, provide advanced soot control and cold start protection.
- Valve train wear protection and reduced oil filter restriction at high soot levels.
- High temperature deposit control, including single and two-piece pistons and ring/liner wear protection.
